

ACKNOWLEDGMENT OF RISK AND RELEASE OF LIABILITY **(Motor Vehicle and Off-Campus Privilege Acknowledgement)**

In consideration for the acceptance of _____ (student name) (the "Student") in the high school program of Christian Academy, Inc. (the "School"), we [the student and the student's parent(s) or guardian] agree and confirm as follows:

1. We understand that the School allows students within the high school program the privilege of parking his or her vehicle on campus during the school day, provided that such vehicle be covered by applicable liability coverage and property damage in accordance with the laws of the State of South Carolina. Each student parking his or her vehicle on campus during the school day is also required to possess a valid drivers license, in accordance with the laws of the State of South Carolina. By signing below, the Student and the Student's parent(s) or guardian, confirm that the Student possesses a valid driver's license, and that any vehicle parked by the student on campus during the school day is covered in accordance with the minimum vehicular insurance requirements of the State of South Carolina. The School makes no representations or warranties regarding the adequacy or sufficiency of any insurance coverage, including, but not limited to those listed herein. The School has not independently verified the existence of any such insurance coverage, and has relied solely on the representation of each student and each student's parent(s) or guardian, as to compliance with the laws of the State of South Carolina.
2. We agree that the School may allow the Student, at the Student's election, the option of leaving the campus for meals, breaks, or other occasions during the school day. We understand and agree that the School assumes no responsibility for any injury or damages that might arise out of or in connection with the Student electing to leave the campus of the School. We further agree that any costs or expenses resulting from the Student leaving the campus of the School, whether as a result of medical services, property damage or loss, traffic accident or otherwise are our sole responsibility, and by consenting to the Student having the option of leaving the campus, we release the School for any responsibility for such costs or expenses.
3. We understand and acknowledge that there might be inherent risks associated with students leaving campus, with students operating vehicles with limited experience, and with students as passengers in vehicles operated by other students, and we agree that the Student is personally responsible for obtaining all approvals or consents from the Student's parent(s) or guardian, and that by execution of this acknowledgement, we consent to, grant and otherwise confirm that the School may allow the Student to leave the campus for meals, breaks or other occasions during the school day without the requirement of any further consent or inquiry by the School.
4. We recognize that the operation of a motor vehicle, or the occupancy of a motor vehicle as a passenger are inherently dangerous, and that the School, its Board of Trustees, officers and employees assume no responsibility or liability of any kind for the Student's operation of a motor vehicle, or the operation by another student of a motor vehicle while the Student is a passenger during the period the student is enrolled at the School.
5. We recognize that the Student's privilege of leaving campus during the school day is voluntary and that there are inherent risks and obligations that students electing to leave campus must assume. We recognize that without us delivering this acknowledgement to the School, the Student would not be allowed to elect to leave the School's campus. We understand that the School does not represent or act as an agent for, and cannot control the acts or omissions of, any student (including, but not limited to the Student) when the Student or other students are not on the School's campus.

6. We fully assume responsibility for all financial and other legal obligations incurred by the Student as a result of the Student's election to leave the School's campus during allowable times. We recognize that the School assumes no liability or responsibility, and we hereby release the School, its Board of Trustees, officers and employees from any and all liability or responsibility for any injury, damage or loss caused to or by the Student in connection with the Student elected to leave the School's campus, including, but not limited to all activities and travel the Student may undertake during and collateral to the school day. We certify that the Student is fully responsible for participation in this voluntary program, and therefore hold harmless the School.

7. We acknowledge that the Student is required to obey and comply with all laws regarding motor vehicles and any other laws for the State of South Carolina, Horry County or the City of Myrtle Beach, including but not limited to laws pertaining to alcoholic beverages, marijuana and other illegal substances. The School, its Board of Trustees, officers and employees do not assume any responsibility or liability of any kind for the Student's commission of any illegal act.

WE HEREBY CERTIFY THAT WE VOLUNTARILY SIGN THIS RELEASE, HAVE READ ALL OF ITS PROVISIONS, FULLY UNDERSTAND ITS SIGNIFICANCE, AND AFFIRM OUT AGREEMENT TO ITS TERMS AS A CONDITION OF THE STUDENT PARKING A MOTOR VEHICLE ON THE SCHOOL'S CAMPUS AND PARTICIPATING IN THE VOLUNTARY ELECTION TO LEAVE THE SCHOOL'S CAMPUS FOR MEALS, BREAKS AND OTHER OCCASIONS DURING THE SCHOOL DAY.
