Parents Web

RenWeb School Management Software gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success-ALL via the internet.

RenWeb's Parents Web is a private and secure website that has been set up for our school to allow you to see complete information specific to your child. You can view your child's grades, attendance, homework, order lunches as well as other useful information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an internet-capable computer.

Here is how to access our easy-to-use RenWeb ParentsWeb:

1. Go to any web browser and type in the address of our school website at www.christianacadmeysaints.org
2. Click on "RenWeb Parent Login" found at the right top corner of our homepage.
3. Log in as follows:
 1. **District Code:** CAMB-SC
 2. **User Name:** Enter the email address you provided to the school.
 3. Click "Create New ParentsWeb Account"
 4. You will receive an email containing your password within 3 minutes (to the email address you provided, which must be the same email address that you provided to the school.)

Please call us if you have any questions or problems.
