Other Ways to Practice Math

The goal for the summer is for all students to enter third grade being able to quickly recall ALL basic facts. We're looking for automatic recall of these facts. The following are possible fun ways for your child to practice learning these facts. **We cannot stress enough how important it is for your child to be able to QUICKLY recall ALL basic facts!

1. **Flashcards** (Addition, Subtraction, and Multiplication)
2. **Dice Roll - Multiply 2 dice together**
3. **Game of Yahtzee**
4. **Card Games** (Make your child keep score)
5. **Board Games** (Board games that require logical/strategic thinking & planning are great ways to build critical thinking and reasoning skills. Plus, it's fun to play together!)
6. **Xtra Math** (Excellent self-paced online practice)
7. **iPad Apps** (Check out the App Store for great suggestions!)
8. **Computer Math Games**
