WHAT:

Before: Jess hadn't seen her survivalist, off-the-grid dad in over a decade. But after a car crash killed her mother and left her injured, she was forced to move to his cabin in the remote Canadian wilderness. Just as Jess was beginning to get to know him, a secret from his past paid them a visit, leaving her father dead and Jess stranded.

After: With only her father's dog for company, Jess must forage and hunt for food, build shelter, and keep herself warm. Some days it feels like the wild is out to destroy her, but she's stronger than she ever imagined.

Jess will survive. She has to. She knows who killed her father...and she wants revenge.

The CA Fine Arts Department
is proud to announce
THIS YEAR'S SPRING MUSICAL IS
(drum roll here) . . .

The logo features the word "Disney" in its signature script at the top. Below it, the word "Aladdin" is written in a large, flowing, orange-to-yellow gradient script. Underneath "Aladdin", the letters "JR." are written in a smaller, white, outlined font on a yellow banner that appears to be part of the script's tail. A small "©Disney" copyright notice is visible on the right side of the banner.
