DESIGNATION AS AN
EXCEPTIONAL SC
ELIGIBLE SCHOOL**

Christian Academy is excited to have been recently designated as an Eligible School for the Exceptional SC program, dedicated to supporting exceptional needs students and families in South Carolina created by the passage of the Exceptional SC Law of 2021. This eligibility will open up the opportunity for the parents of eligible students to potentially receive tax credits and/or scholarship awards. Parents can find more information at exceptionalsc.org.

Christian Academy reserves the right to accept, or not accept, students solely on its discretion and the school's ability to meet their needs in accordance with our admission policies.

LEARNING & GROWING

WHAT:

Before: Jess hadn't seen her survivalist, off-the-grid dad in over a decade. But after a car crash killed her mother and left her injured, she was forced to move to his cabin in the remote Canadian wilderness. Just as Jess was beginning to get to know him, a secret from his past paid them a visit, leaving her father dead and Jess stranded.

After: With only her father's dog for company, Jess must forage and hunt for food, build shelter, and keep herself warm. Some days it feels like the wild is out to destroy her, but she's stronger than she ever imagined.

Jess will survive. She has to. She knows who killed her father...and she wants revenge.

PAVILION UPDATE

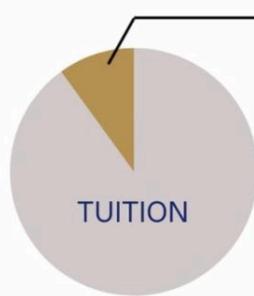

The Saints Pavilion hit a little “red tape timeout” this summer, but construction kicks off this fall. Thanks for hanging in there—it’s going to be worth the wait!

WHY FUNDRAISING AT CA?

WHY IT TAKES MORE THAN TUITION

Every year, Christian Academy parents make a large financial commitment for Christ-centered education. **To keep tuition affordable, CA does not charge for the full cost of education, but instead relies on sponsorships and charitable donations to support the portion of the budget not covered by tuition.** This generosity sustains our academic, athletic, and fine arts programs—and fuels the special projects that enhance our Saints facilities and enrich the student experience.

CAPITAL PROJECTS

WHAT ARE CAPITAL PROJECTS & HOW ARE THEY FUNDED?

At Christian Academy, big projects like new playgrounds, athletic field upgrades, or an activity bus are made possible completely through donations—not tuition. This means every tuition dollar stays focused on your child’s daily education, while special projects move forward as God provides through the generosity of our families and friends.

Donations provide for 100% of the cost of special capital projects
