Heart for Missions

Wavemaker: The Wavemaker Uganda Water Project brings clean, safe drinking water to communities in Uganda, improving health and daily life. Every dollar counts to funding clean water for Ugandan communities!

Colts Closet: is a local charity started by Saints alum, Colt Galloway that collects and donates toys to children in the hospital to bring comfort and smiles. We ask that you bring in new toys and games for kids.

Heart for Missions

Brie-Ella's Bibles: is a foundation started by our very own, Brie-Ella Sanders (7th grade) to provide Bibles to people who can't afford their own. Please bring in used or new Bibles!

Nickel Wars: is a competition between the boys and girls of all grades. All nickels brought in add points to your team. Any other money put in subtracts from your total. All proceeds go towards Africa New Life.

4TH GRADE

Our 4th grade students have been studying life during the Colonial era in early America. This week, they brought their learning to life by hosting their own "Colonial Days." Students dressed in period clothing to get a firsthand look at colonial fashion, practiced writing with feather pens, made candles, and even sampled corn fritters!
