ATHLETIC COMPLEX LEASE EXTENDED TO 2044

Christian Academy is excited to announce the extension of the long-term use agreement for our athletic complex through the year 2044 with Carolina Forest Community Church. This extension not only solidifies our partnership but also reflects the strength and health of this relationship with the CFCC Sports Ministry. Doubling the length of the original agreement, this renewal gives us the confidence to continue investing in the complex with further improvements and branding as our official home fields for years to come!

The Christian Academy home fields for soccer, football, softball and baseball are located in the heart of Carolina Forest, less than 15 minutes from our main campus.

This complex also serves the Carolina Forest Sports Ministry, making the property a hub of activity year round for athletic programs where thousands of young people grow and develop their mind, body and spirit through Christian programs, coaching and mentorship.
