WHAT WE BELIEVE

From the Christian Academy Statement of Faith

**There is only one true God,
eternally existing in three persons -
the Father, the Son, and the Holy Spirit.**

And this is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent. – John 17:3

There is one body and one Spirit, just as you also were called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all who is over all and through all and in all. – Ephesians 4:4-6

STUDENTS WITNESS THE POWER OF PRAYER

Our 7th graders were recently visited by a special guest, Greg Anderson, who nearly two years ago was diagnosed with a rare and aggressive brain tumor and told he had a very limited time left to live. Teachers at CA who knew

Greg had their students praying for Greg daily. Having recently been declared a cancer survivor, Greg wanted to personally visit these students to thank them for their prayers and testify to God's grace in answering their prayers.

Do not be anxious about anything, but in everything by prayer and pleading with thanksgiving let your requests be made known to God.
Philippians 4:6

Mr. Stewart's US History students used their STEM skills to create and map out a "Roaring 20s" theme park involving rides, concession stands, and walkways through the park.

2nd graders applied their learning of simple machines to create structures that would trap a leprechaun.
