WHAT WE BELIEVE

From the Christian Academy Statement of Faith

**Based upon Christ's atoning and finished work
on the cross, those who receive Christ by faith
have their sins forgiven.**

In Him we have redemption through His
blood, the forgiveness of our wrongdoings,
according to the riches of His grace

Ephesians 1:7 (NASB)

The S.E.A.S. Festival and Fall Auction are both vital events that support the successful education of all students at Christian Academy. The funds raised help complete the school's operating budget, as tuition alone does not fully cover annual expenses. That's why Beach S.E.A.S. is so important—it sustains excellent programs and staff while also helping keep tuition affordable and accessible for as many families as possible across the Grand Strand.

ARE YOU?

- Grateful for the Christ-centered education your child is receiving at CA?
- Able to invest in the school financially beyond tuition?

WOULD YOU?

- Consider a donation to the CA General Fund before June 30, the end of our fiscal year?

We still have a need for General Fund contributions to fully underwrite our programs and staffing for the current school year.

Use the link below to make a gift online or make a check to Christian Academy General Fund and mail it to the school.

SENIOR DECISION DAY

Decision Day!

Such a special day for our seniors
as they place a star on the
college they have chosen!

**WOFFORD
COLLEGE**

Each year, after learning about displacement, buoyancy, and the Archimedes Principle, our Physics students design

and build boats. They must follow specific criteria to ensure their boats float, hold their crew, and successfully navigate a race against their peers. This year's race was a tremendous success and a whole lot of fun!

Physics Class boat race at Lakewood Campground.
