The senior prayer walk is a cherished Saints tradition that recognizes the importance of prayer and models it to our students as our seniors are prayed for throughout the different grades and classrooms.

A COGNIA STEM CERTIFIED SCHOOL

STEM is integrated into the classroom at CA from the very beginning, like our kindergarten egg drop, where students begin learning about basic

scientific concepts such as gravity and air resistance.

4th GRADE PRESIDENTS PROJECT AND SPEECHES

Christian Academy was honored to welcome so many "United States Presidents" and their First Ladies as our 4th graders showcased their amazing presidential research projects! After researching their president and writing a speech, students dressed for the era and presented to classmates and other students. This CA favorite is always a hit — every 4th grader gets our vote!

STRATEGIC PARTNERSHIP

Strategic Partnership

Over the past few years, Coastal Christian Academy and Christian Academy of Myrtle Beach have explored ways to work more closely together in order to strengthen Christ-centered education across the Grand Strand. Both schools recognize that a strategic partnership has the potential to create an even greater Kingdom impact for students, families, and the broader community.

This partnership could include:
*Collaboration in faculty development and training
*Alignment in educational philosophy and mission
*Relationship building opportunities between campuses
*CAMB serving as a clear and intentional next step for CCA students
*Continued exploration and development of transportation options between CCA and CAMB
*Priority enrollment opportunities for CCA students at CAMB

We are excited to see how God may continue to work through this relationship and look forward to exploring additional opportunities for partnership in the future. We believe that together we can strengthen the ways we fuse faith with learning, as we strive daily to provide academic excellence in a Christ-centered environment and prepare young people to expand the impact of the Gospel across the Grand Strand and beyond.

Please pray for God to continue to reveal His plans for this partnership and let us know if you have any questions or feedback.
