MISSION TEAM RETURNS!

MISSION TRIP 2026

Dominican Republic

Mission Trip Chapel

Our Juniors and Seniors shared their mission trip experiences with all of our CA students during Mission Trip Chapel this week.

“they have so little but still wanted to give back to us - it reminded me how blessed we are here in U.S.”

. “. . . all worship and prayer goes to the same God no matter the language.”

“We were doing it all for the Lord”

37 students
6 chaperones
1 amazing week of God working!

One student also shared the incredible news of giving their life to Jesus Christ and being baptized during the trip!

Thank you to everyone who supported this mission experience through prayers, supplies, and financial donations.

The kindergarten class had a special visitor this week - WPDE Chief Meteorologist Ed Piotrowski, who talked about all types of weather and answered lots of great questions!

His advice: “If thunder roars, go indoors!”

LEARNING AND GROWING

I ♥ READING

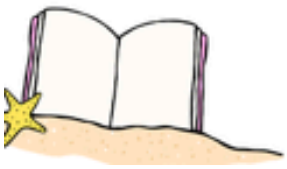

AVOID THE SUMMER SLIDE!

"The summer slide" = kids lose knowledge when not in school

Encourage your kids to dive into a good book by participating in a summer reading program! There are so many available:

- "Unearth a Story" - your Public Library
- The White House Reading Challenge
- Barnes & Noble
- "Reading with a Ranger" - SC State Parks
- Half-Price Books Summer Reading Challenge

If your child participates in any of the summer reading programs available (outside of CA's required reading), have them bring in their reading log during the first week of school, to the library. It must be signed by a parent or guardian to attest to their reading. Not only will they learn a thing or two, but they will enjoy an ice cream treat when they return to school, courtesy of our PTF! **Happy Reading!**
