6th Grade Trip to Camp Saint Christopher

This week 53 6th graders along with 9 staff members had an amazing time discovering the scientific world with all of their senses in an open and encouraging environment designed to see, smell, touch, hear and even taste lessons in biology, ecology, conservation, botany, and much more. We love this tradition! Go Saints!

LEARNING & GROWING

Senior Prayer Walk

This week our entire student body participated in a morning dedicated to prayer for our graduating seniors. As small groups of seniors and their families cycled through the classrooms, each grade used scripture and a different area of prayer focus to encourage these seniors as they prepare to graduate and start their next chapter of life!
