NEW GAGA PIT

A couple of generous and talented parents purchased and installed a new gaga pit last week. It's a work of art and we're thankful that students of all ages can play gaga ball here at CA!

!! NEW PLAYGROUND !!

Through a generous grant from the Chapin Foundation and giving from our parents and CA Board of Trustees, we are excited to announce that we will have a target date of February 2027 for completion of the new playground. We are extremely grateful!

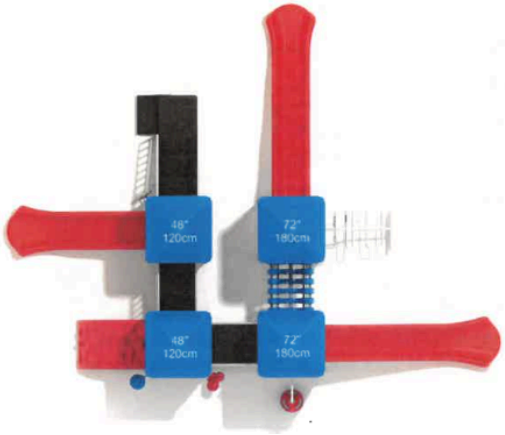

This is an expensive project because of the quality of the rubberized poured in place surface, the size of the multi-platform Quad Towers play system, and additional features like covered benches and a climbing structure. We will also install new fencing with an expanded enclosed playground area.

Due to the scope of this important endeavor, we are continuing to raise monies to help offset costs. Thank you for considering a gift designated for the SAINTS playground. For further information about giving, please reach out to Mr. Beaudine or Mrs. Henry.
